BID REQUESTS

Bidding Opportunities!
Archer Western Construction is seeking subcontractors, including certified DBE/MBE/WBE firms, for the Moccasin Bend Class A P.O.W.E.R Project – **Liquids 60% GMP**. The project will provide upgrades to the aeration system, improve nitrification of the facility, improvement treatment of biosolids to produce Class A biosolids, enhance production of Biogas energy, and eliminate the use of lime.

The Project will be funded by the City of Chattanooga Enterprise Sewer Fund which will include a federal EPA Loan through the WIFIA program (BABA exemption). The funding includes requirements from SRF including AIS, DBE requirements, etc. Small Businesses, Local Companies, DBE's, and all other qualified companies are encouraged to bid.

Bid Documents are available online via SmartBid at:
