Shelter Facility Preservation
Invitation to Bid

CDBG funded construction | Nov 12th, 2026

Financed In Part By U.S. Department of Housing and Urban Development (HUD) and City of Chattanooga Department of Economic Development. Partnership for Families, Children, and Adults (PFCA) invites qualified, licensed and insured contractors to bid on renovations at an operating, confidential emergency shelter in Chattanooga, Tennessee. The project converts former office space into two crisis rooms and two shelter rooms and renovates two bathrooms. Contractors must price the same issued scope and comply with the attached federal labor requirements.
